Stunning Open Modern Farmhouse Floor Plan Lives like a ranch on the main level with 3 Bedrooms, including the Primary Suite + 2 Full Bathrooms! This charming home features a Vaulted Family Room with exposed Beams and a matching Quartz FP surround that mirrors the kitchen countertops. The Sunny Breakfast Nook is larger than most separate Dining Rooms and overlooks the level backyard, with a relaxing screened porch and the view of the pond. Spacious Kitchen has lots of counter and cabinet space, an accent-color island with a Farmhouse-sized sink, built-in trash containers, and a Lazy Susan. You will appreciate the oversized Pantry and the convenient Laundry room behind the kitchen, in the hallway leading upstairs to the owner's suite. The Back staircase provides a private entry to the second level, suited for a Guest/extended family or Teen suite. Dramatic Tray Ceiling, custom walk-in closet, and Beautifully Tiled Bathroom are all part of the First Floor Owners' suite situated away from the other main floor bedrooms! Warm, soft Brass fixtures and Lighting give both the Kitchen and Primary an elegant feel. The second level offers the possibility of 2 Bonus rooms or a 4th-floor bedroom. The walk-in storage can also be utilized for future expansion. *SEALED CDRAWL SPACE* Don't miss this exciting opportunity! River Dew is truly a hidden Gem neighborhood!
